Our General Terms and Conditions are applicable.

We wish to point out that we will assume liability only for operations which have been performed by personnel certified or authorized by our company. The same applies to parts which originate from the Mühlbauer group. In these cases, we reserve the right to prematurely terminate the period of warranty for machines.

Price:

The minimum order value amounts to USD 100.00. If the order value is less than the minimum order value, USD 100.00 will be charged as minimum amount.

Warranty:

Warranty is limited to a period of 12 months for invoiced spare parts, starting from the date of dispatch; but no later than four weeks after the declaration of readiness for dispatch by the seller, whichever occurs earlier. Details on warranty are stipulated in the general terms and conditions for warranty. Spare parts are all individual parts, assemblies or complete products intended to replace damaged or missing individual parts, assemblies or products of a more complex product in order to restore its function. Tools, wearing parts, consumables, etc. are excluded from warranty claims. Weight loss (surface erosion) of a material surface by sharpening, rolling, striking, scratching, chemical and thermal stress is given with wearing parts.

Taxes:

The Buyer shall be responsible for payment of taxes and duties of any kind payable with respect to the purchase items arising out of or in connection with this offer. Without limitation, the Buyer will be responsible for all applicable sales taxes unless it first claims a sales tax exemption by providing the Seller with an exemption certificate acceptable to the applicable authorities. If applicable law requires the Buyer to withhold any taxes levied by the authorities in the Buyer's country of residence on the payments to be made to the Seller pursuant to this offer (Withholding Tax), the Buyer shall gross up the payments, as applicable, such that the payments to be received by the Seller shall be equal to the amounts owed in accordance with this offer prior to the levying of any Withholding Tax. The Buyer is responsible for obtaining and providing to the Seller any certificate of exemption or similar document required to exempt any sale from sales, use or similar tax liability.

Period of validity:

This offer is without obligation and subject to confirmation. It is valid for 4 weeks and will become binding with our confirmation of order.
