The law of the Commonwealth of Virginia shall be applicable. With respect to any dispute, claim or controversy arising under, out of, in connection with or relating to the contract, Customer agrees that any action at law, suit in equity or other judicial proceeding for the enforcement of the contract or any provision hereof shall be instituted only in the United States federal or state courts located within the Commonwealth of Virginia, provided that Mühlbauer at its option may elect to sue Customer at its principal place of business or in any jurisdiction in which the Goods or other assets of Customer may be found.

Please note that we shall only assume liability for work performed by personnel certified or authorized by our company. The same applies to original parts from the Mühlbauer Group. We reserve the right to early termination of the warranty period for machinery for good cause.

For invoiced spare parts the warranty is limited to a period of 12 months, beginning with the date of delivery, but no later than four weeks after the declaration of readiness for dispatch by the seller, whichever occurs earlier. Details regarding warranty are stipulated in the general terms and conditions for warranty. Spare parts are all parts, assemblies or complete products intended to replace damaged or missing parts, assemblies or parts of a more complex product to restore its functionality. Tools, wearing parts, consumables, etc. are excluded from warranty claims. The loss of mass (surface erosion) resulting from grinding, rolling, striking, scratching, chemical and thermal stresses is normal for wearing parts.

Place of jurisdiction for warranty claims is the place of business of the seller. The customer shall ship the product involved to and from his place of business at his own expense and risk. If the warranty claims are legitimate, the seller will deliver the repaired/replaced object of purchase at his own expense and on the basis of the International Commercial Terms CPT (Incoterms 2020), carriage paid to customer's place of business, to the customer.

The seller shall be liable for direct damages arising out of this contract under the statutory provisions, but only up to the value of the order. This does not apply for personal injury as well as damages and losses due to intent or gross negligence. For property damage the seller shall only be liable within the scope of the seller's liability insurance coverage. All claims for damages due to consequential damages, such as loss of profit, loss of production, recall costs, etc. are hereby excluded.

In the event of a rescission of the purchase contract we reserve the right to charge for services rendered and expenses, at least 10% of the contract value. Expenses for freight and packaging shall not be reimbursed.
